Sub: Harijan Welfare Department - Communities - Kudal Deshasta Gowd - Brahmin Community - Inclusion in the list of Backward Classes.

Ref: 1. Memorandum from the Members of Kudal Deshasta Gowd Brahmin community.

2. South Kanara Collector's letter No.D.Dis.6882/54 dated 18-7-54.

...

In their memorandum first cited, the members of the Kudal Deshasth Gowd Brahmin community have represented that they are very backward socially, educationally and economically and that they may be included in the list of Backward Classes so as to enable them to get the concessions provided for the Backward Classes.

The Collector of South Kanara who was referred to in the matter has recommended the inclusion of this community in the list of Backward Classes. He has reported that this community is mainly found in Mangalpre, Karkal and Udipi Taluks of the District. They live scattered all over the district. They are generally engaged in petty trades, cultivation of small extents of lands as tenants and labourers. Their customs and traditions are almost identical with the other Hindu communities. They are not untouchables. Their approximate population is reported to be 5000 and the percentage of literacy less than 5.

There is no mention about this community in the Thurston's report on castes and tribes of Southern India.

In view of the above I recommend the inclusion of this community in the list of Backward Classes.

Director of Harijan Welfare.
